Or will the County allow vendors to provide industry-standard cut-offs, such as those in the Discover cup referenced in the bid document (e.g. COC 300, MAMP 1000)?

Answer: Please provide a quote for the drug testing cup requested, no additional specifications are required for the requested product.

Question: Our company sells gloves in boxes of 100, not by pair (pair is indicated in the pricing table on page 5). May we either price this item by box for the unit, or else specify somewhere in a note below the pricing table that they may only be purchased in packages of 100?

Answer: Please include the price per pair.
